Suzlon Towers and Structures Limited, the Petitioner De-merged Company-1 to Suzlon Engitech Limited, the Resulting Company-1 and thereafter Amalgamation of Suzlon Towers And Structures Limited, the Transferor Company -1 with Suzlon Energy Limited -the Transferee Company.

4. It further involves De-merger and transfer of the Project Execution Division of Suzlon Infrastructure Services Limited, the De-merged Company-2 to Suzlon Gujarat Wind Park Limited, the Petitioner Resulting Company-2 and thereafter Amalgamation of Suzlon Infrastructure Services Limited, the Transferor Company -2 with Suzlon Energy Limited -the Transferee Company.

It has been further pointed out that Suzlon Engitech Limited, the Resulting Company-1 and Suzlon Infrastructure Services Limited, the De-merged Company-2 are the companies having their registered offices in Pune and have taken out the necessary proceedings before the jurisdictional High Court viz. 6. It has also been brought to the attention of this Court that both the Transferor Companies viz. Suzlon Towers and Structures Limited and Suzlon Infrastructure Services Limited

are the wholly Owned Subsidiaries of Suzlon Energy Limited, SEL, the Transferee Company/ the holding company. As envisaged under clauses 28 and 36 of the scheme, the share capital of both these companies shall stand cancelled on amalgamation and no new shares shall be issued by the Transferee Company. As a result, the rights and interests of the shareholders of the said Transferee Company shall not be in any way affected by the sanction of the proposed scheme. The Transferee Company, therefore, sought dispensation of the separate proceedings and vide order dated 3rd March 2011 passed in Co. Application No. 228 of 2011, the court (Coram-Anant S. Dave J.) granted the dispensation of further proceedings and hence no petition was required to be filed by the said Transferee Company.

7. It emerges from the record that the Transferee Company, SEL is a listed Public Limited Company and the shares are listed on Bombay Stock Exchange as well as National Stock Exchange. It is engaged in the business of manufacturing Wind Turbine Generators (WTG) with an emphasis on high performance and cost efficiency. The proposed scheme, it appears, envisages the de-merger of Power Generation Division of STSL into Suzlon Engitech Limited, the Resulting Company-1 and thereafter amalgamation of STSL with SEL, the Transferee Company. Since all three companies belong to the same group of management, the Board of Directors of these Companies appears to have considered it fit to enter into such arrangement, primarily to achieve operational synergies. The scheme as well as the petition contain - narrate the rationale and the resultant benefits envisaged due to the scheme.

8. On the other hand, Suzlon Infrastructure Services Limited, SISL, the De-merged company-2/Transferor company-2 is a public limited company and is a wholly owned subsidiary of Suzlon Energy Limited. The Company is engaged in the business of Operations and Maintenance of fleet size of about 5000MW. Suzlon Gujarat Wind Park Limited, SGWPL, the Resulting Company-2, the petitioner in Co. Pet. No. 75 of 2011, is a wholly owned subsidiary of SEL. SGWPL was originally incorporated for and was engaged in development of wind farm projects including acquisition of land for setting up wind farms and power evacuation facilities. At present, it is

operating as a project developer and providing an integrated solution to the investors by making available land and power evacuation, infrastructure to set up wind farms. The present Scheme inter-alia envisages De-merger and transfer of Project Execution Division of SISL to SGWPL, and thereafter amalgamation of SISL with SEL. Since both the companies are wholly owned subsidiaries of SEL and belong to the same group of management, the Board of Directors of these Companies appears to have considered it fit to enter into such arrangement, primarily to achieve operational synergies. The scheme and petitions provide and narrate the rationale and the resultant benefits envisaged out of the said scheme.

9. It has been submitted that vide order-dated 3rd March 2011 passed in Co. Appl. No. 226 of 2011, meeting of the Equity Shareholders of STSL, the De-merged/Transferor Company-1, were dispensed with in view of the written consent letters from all its shareholders viz. the Holding Company and its nominees.

passed by the Resulting Company and the Transferee Company upon scheme being effective.

14. In his affidavit dated 30.6.2011 the Regional Director has made below mentioned observation - objection:-

"2(a) That, the accounting entries / adjustments to be made in the books of accounts of the petitioner Demerged Company No.1/Transferor Company No.1 and Demerged Company No.2 are stated under Clause No.10 and 19 respectively of Part II and III of the Scheme. Further, account entries / adjustment to be made in the books of accounts of the petitioner transferor company are stated at Clause Nos. 29 and 37 respectively of part IV and V of the scheme. It is respectfully submitted that the Accounting entries / adjustments, as a consequence of the Scheme of Arrangement / Amalgamation, are to be made as per the Accounting Standard-14 notified by the Central Government under Section 211(3A) of the Companies Act, 1956. It is further submitted that neither of the aforesaid Clauses refer to AS-14. The Hon'ble Court may therefore, be pleased to direct the petitioner companies to make adjustments in their Books of accounts as per the Accounting Standard-14 noticed by the Central Government under Section 211 (3A) of the Companies Act, 1956."

14.1 Having raised the said observation - objection, the Regional Director has also stated that any complaint and / or representation in respect of the proposed composite scheme of arrangement / amalgamation and particularly any complaint or representation opposing the said scheme is not received by his office. The Regional Director has also observed in the said affidavit that:-

"there appears no other objection to the proposed composite scheme of arrangement / amalgamation between the petitioner companies and the scheme does not prima facie appear to be prejudicial to the interest of shareholders of the aforesaid petitioner companies and the public at large."

14.2 Now so far as the aforesaid objection - observation by the Regional Director in his said affidavit dated 30.6.2011 is

concerned, reference needs to be made of the additional affidavit dated 3.8.2011 wherein while relying on the decision in the matter of Norfolk Infotech Private Limited 142 Company Cases 752 and also on the decision in the matter of Gallops Realty P. Ltd. 150 Company cases 596, it is submitted that so far as the Accounting standard-14 is concerned the said standard is applicable only to scheme of amalgamation. It is further submitted that the present scheme being a composite scheme involving the De-merger as well as Amalgamation, the said standard would not be applicable to the Resulting Company so far as the De-merger is concerned. So far as the Accounting Treatment in books of the Transferee Company upon amalgamation is concerned, the deponent has submitted that the accounting treatment proposed vide clause 29 and 37, is not in contravention of the applicable provisions or the Accounting Standard and it is in fact in compliance with the Accounting Standard-14. Thus, according to the explanation given and stipulation made by and on behalf of the transferee through the authorized representative and signatory of the transferee company and stipulation in the aforesaid affidavit dated 3.8.2011, it is clarified, undertaken and assured that the transferee company will be complying with Accounting Standard-14 notified by the Central Government under Section 211 (3A) of the Act. 1. PREAMBLE

A. DESCRIPTION OF COMPANIES

- (a) **Suzlon Towers And Structures Limited**, originally incorporated as Suzlon Green Power Limited in the year 2000 with the main objective of setting up of independent power projects and selling of power generated from the said projects to State Government owned Electricity Boards.

During the year 2005-2006, STSL started dealing in Tubular Tower, a component of Wind Turbine Generator (WTG). STSL is engaged in manufacturing and trading of Tubular Towers. All these towers are marketed by STSL to the customers who intend to install Suzlon make WTG's.

- (b) **Suzlon Infrastructure Services Limited**, originally incorporated as Suzlon Windfarm Services Private Limited in the year 1998 with the main objective of carrying on the business activity of providing Operation Maintenance Services (OMS) for Wind Turbine Generators (WTG's) to investors in Wind Power Projects all over India.

In the year 2004-2005, SISL became a wholly owned subsidiary of Suzlon Energy Limited.

From the year 2007-2008 onwards, SISL also started undertaking Project Execution, Erection and Commissioning activity including manufacturing and marketing of Transformers for Suzlon make WTG's in addition to the existing OMS activities. Presently, SISL handles Operations and Maintenance of fleet size of about 5000MW.

- (c) **Suzlon Engitech Limited**, originally incorporated as Sarjan Engitech Private Limited was incorporated in the year 2001 with the main objective of manufacturing components for Wind Turbine Generators (WTG's) .

In year 2005-2006, its name was changed to Suzlon Engitech Private Limited and in the year 2008-09 the name of the company was further changed to Suzlon Engitech Limited after conversion of the company from Private Limited to Public Limited Company.

Presently, SENL is engaged in the business of trading of installed WTG's and provides infrastructure support again on a very small scale.

- (d) **Suzlon Gujarat Wind Park Limited**, was incorporated in the year 2004 with the main objective of development of wind farm projects including acquisition of land for setting up wind farms and power evacuation facilities.

In the year 2005-2006, SGWPL became a wholly owned subsidiary of Suzlon Energy Limited.

Presently, SGWPL is operating as project developer and providing an integrated solution to the investors by making available land and power evacuation, infrastructure to set up windfarms.

- (e) **Suzlon Energy Limited** was incorporated in the year 1995 which marked a new chapter in wind energy business. SEL is engaged in the business of manufacturing Wind Turbine Generators (WTGs) with an emphasis on high performance and cost efficiency. It is among the first Asia-based companies to manufacture WTGs with multi-MW capabilities. In the year 2005-2006, the shares of SEL got publicly listed on National Stock Exchange of India Limited (NSE) and Bombay Stock Exchange Limited (BSE) and have since grown to become one of the world's leading players in wind energy and Asia's Leading wind turbine manufacturer, ranked as the Third largest manufacturers globally (along with share of REpower).

-7-

SEL's design, manufacture, operation and maintenance services have been certified as ISO 9001:2000 by Det Norske Veritas. SEL has state of the art in-house technology and design capabilities, resulting in development of highly successful Megawatt and Multi-Megawatt series of Wind Turbines. SEL's true prowess as a global giant was highlighted when it acquired major stake in Hansen Transmissions International NV, Belgium, the world's second leading wind gear box maker in May 2006 and REpower Systems AG, Germany in May 2007 and May 2008.

B. RATIONALE AND OBJECTIVES OF THE SCHEME OF ARRANGEMENT

The arrangement between the companies involved in the scheme would inter alia, have the following benefits

(a) With de-merger and transfer of Power Generation division of STSL with SENL -

- Power Generation business requires separate and different skills altogether and hence de-merging it into SENL will help to run it more efficiently.
- De-merger would help in better evaluation of performance of this business.

(b) With de-merger and transfer of Project Execution Division of SISL with SGWPL-

- OMS business is involved in the same line of business as SEL and Project Execution is part of infrastructure building in which SGWPL is currently engaged into.
- The business of erection and commissioning being primarily in nature of infrastructure development, requires different skills and approach to the business for which the company has to select and train its employees to achieve high performance standards so as to meet the standards of its large and reputed competitors in the infrastructure space. With the proposed de-merger and transfer of the said division, SGWPL would be better placed to scale up its skills in the infrastructure business and able to hire best talent available in the industry.

- As talent in infrastructure industry requires distinct and special treatment, it makes lot of sense from Human Resources development perspective to house and concentrate infrastructure related activities in an appropriate company. With the proposed de-merger and transfer of the said division, the same shall be better managed by SGWPL.

(c) With amalgamation of STSL (after the de-merger of Power Generation Division) with SEL -

- The Tower business which is the main stay of STSL, requires scaling up in view of the increased domestic market and needs focused efforts to bring the cost down on a continuous basis with equal emphasis on the quality side as well. Synergies of Supply Chain Management can be derived by bringing the Tower business into SEL.
- Better and efficient material management along with stores management can be achieved, ensuring on time delivery in full.
- Quick and more responsive product improvement and R&D on tower can be made possible through well established and more resourceful set up of SEL. Better compatibility of tower with each version of nacelle and better use of design and technical core competence of SEL would be the key benefits accruing as a result of this merger;
- Better negotiating powers resulting into competitive sourcing of materials and services through more active support of well established Supply Chain Management Team of SEL

(d) With amalgamation of SISL (after the de-merger of Project Execution Division) with SEL,-

- Customers will get more comfort and surety of after sales services for 20 years post commissioning, which is becoming a key factor to get more business.
- Existing customers would feel more convinced from the fact that the equipment supplier itself is taking care of the OMS part. Long term visibility will be provided to large customers by providing OMS services through equipment supplier (SEL) only and thereby improving chances of availing more business from

Utilities, Multi National Companies and other big Corporate customers.

- Availability of critical components from third party gets guaranteed for OMS.
 - With Indian business profile picking up and with the changing scenario, customers expect OMS Service provider to have a stronger Balance Sheet, SEL is better placed than SISL.
 - Regular and online feedback from OMS Team provides enormous help in improving and upgrading the overall quality of its equipments, which would be possible with this amalgamation.
 - Better working capital management through maintenance of common stock of spares for OMS as well as for regular production and also better Machine Availability of WTGs resulting into higher customer satisfaction;
- (e) The proposed amalgamation will enhance the bargaining power resulting in cost optimization through economical procurements from common vendors and suppliers.
- (f) The proposed arrangement will consolidate the business activity of all the companies, thereby resulting into time, transactions and cost optimization and improvisation of overall operational efficiency and quality.
- (g) The proposed arrangement shall improve the efficiency in cash management, organizational capability from pooling of human capital having skill, talents and vast experience and thereby increase in competitiveness in the industry.
- (h) The proposed arrangement will create enhanced value for shareholders and allow a focused strategy in operations, which would be in the best interest of all its shareholders, creditors and all persons connected with the companies.

With the aforesaid rationale and objectives, the Board of Directors of STSL, SISL, SENL, SGWPL and SEL have considered and proposed to de-merge and transfer Power Generation Business of STSL with SENL and Project Execution Division of SISL with SGWPL and thereafter amalgamate STSL with its remaining business and SISL with its remaining business into SEL. Accordingly, the Board of Directors of

all the companies have formulated the scheme of De-merger for the transfer and vesting of the Power Generation Undertaking of STSL with SENL and Project Execution Division Undertaking of SISL with SGWPL and thereafter amalgamate STSL with its remaining business and SISL with its remaining business into SEL pursuant to the provisions of Section 391 to Section 394 and other relevant provisions of the Act.

6. The petitioner of TP (CAA) No. 53 of 2017 i.e. SE Blades Limited, had filed an application before the Honorable High Court of Gujarat, being Company Application No. 431 of 2016, under Sections 391 to 394 of the Companies Act, 1956, seeking dispensation of the meetings of the Equity Shareholders, Preference Shareholders, Secured Creditors and Unsecured Creditors of the said Company. The Hon'ble High Court of Gujarat, vide its order dated 29th September 2016 dispensed with the holding of the meetings of the Equity Shareholders and Preference Shareholders of the said Company in view of the written consents in writing given by all the Equity and Preference Shareholders. The Hon'ble High Court also dispensed with the meetings of the Secured and Unsecured Creditors of the said Company in view of the Net Worth Certificate of the Transferee Company. The said certificate indicated that the Net Worth of the Transferee Company was very high and since the said Company had undertaken that upon scheme being effective all the liabilities of the Petitioner Transferor Company shall be duly fulfilled in the normal course of business and the rights and interests of the creditors of the Petitioner Transferor Company shall not be prejudicially affected.

7. The petitioner of TP (CAA) No. 54 of 2017 i.e. SE Electricals Limited, had filed an application before the Honorable High Court of Gujarat, being Company Application No. 432 of 2016, under Sections 391 to 394 of the Companies Act, 1956 seeking dispensation of the meetings of the Equity Shareholders, Preference Shareholders, Secured Creditors and Unsecured Creditors of the said Company. The Hon'ble High Court of Gujarat, vide its order dated 29th September 2016 dispensed with the holding of the meetings of the Equity Shareholders and Preference Shareholders of the said Company in view of the written consents in writing given by all the Equity and Preference Shareholders. The Hon'ble High Court also dispensed with the meetings of the Secured and Unsecured Creditors of the said Company in view of the Net Worth Certificate of the Transferee Company. The said certificate indicated that the Net Worth of the Transferee Company was very high and since the said Company had undertaken that upon scheme being effective all the liabilities of the Petitioner Transferor Company shall be duly fulfilled in the normal course of business and the rights and interests of the creditors of the Petitioner Transferor Company shall not be prejudicially affected.
8. The petitioner of TP (CAA) No. 55 of 2017 i.e. Suzlon Wind International Limited, had filed an application before the Honorable High Court of Gujarat, being Company Application No. 434 of 2016, under Sections 391 to 394 of the Companies Act, 1956 seeking dispensation of the meetings of the Equity Shareholders, Preference Shareholders, Secured Creditors and Unsecured Creditors of the said Company. The Hon'ble High Court of Gujarat, vide its order dated 29th September 2016 dispensed with the holding of the meetings of the Equity Shareholders and Preference Shareholders of the said Company in view of the written consents in writing given by all the Equity and Preference Shareholders. The Hon'ble High Court also dispensed with the meetings of the Secured and Unsecured

Creditors of the said Company in view of the Net Worth Certificate of the Transferee Company. The said certificate indicated that the Net Worth of the Transferee Company was very high and since the said Company had undertaken that upon scheme being effective all the liabilities of the Petitioner Transferor Company shall be duly fulfilled in the normal course of business and the rights and interests of the creditors of the Petitioner Transferor Company shall not be prejudicially affected.

9. The petitioner of TP (CAA) No. 56 of 2017 i.e. Suzlon Structures Limited, had filed an application before the Honorable High Court of Gujarat, being Company Application No. 433 of 2016, under Sections 391 to 394 of the Companies Act, 1956 seeking dispensation of the meetings of the Equity Shareholders, Preference Shareholders, Secured Creditors and Unsecured Creditors of the said Company. The Hon'ble High Court of Gujarat, vide its order dated 29th September 2016 dispensed with the holding of the meetings of the Equity Shareholders and Preference Shareholders of the said Company in view of the written consents in writing given by all the Equity and Preference Shareholders. The Hon'ble High Court also dispensed with the meetings of the Secured and Unsecured Creditors of the said Company in view of the Net Worth Certificate of the Transferee Company. The said certificate indicated that the Net Worth of the Transferee Company was very high and since the said Company had undertaken that upon scheme being effective all the liabilities of the Petitioner De-merged Company pertaining to Tower Business shall be duly fulfilled in the normal course of business and the rights and interests of the creditors of the said undertaking of the Petitioner De-merged Company shall not be prejudicially affected.

10. It has been further submitted that Suzlon Energy Limited, the Transferee Company is a listed public limited company and all

BN

the Equity and Preference Shares of the Petitioner Companies are held by the said Transferee Company and its nominees. The said company had filed an application before the Honorable High Court of Gujarat, being Company Application No. 435 of 2016, under Sections 391 to 394 of the Companies Act, 1956 seeking dispensation of the further proceedings for the said Transferee Company. The Hon'ble High Court of Gujarat, vide its order dated 29th September 2016 observed that since all the three Transferor companies are wholly owned subsidiaries of the parent company, the shares held by the said Transferee Company in the respective Transferor Companies shall automatically stand cancelled and no shares will be issued by the Transferee Company towards consideration for the transfer of the undertakings of the Transferor Companies to the said Transferee Company. Similarly, for the proposed transfer of Tower Business of the fourth De-merged Company, no new shares shall be required to be issued to the shareholders of the De-merged Company as the parent company itself held all such shares. Hence, the rights and interests of the shareholders of the Transferee Company were not likely to be in any way affected as a result of the said scheme. The said contention being supported by judgments of various High Courts, including Sharat Hardware Industries P. Ltd, 48 Company Cases 23 (Del) and Mahaamba Investments Limited v. IDI Limited, 105 Company Cases 16 (Bom), the Hon'ble High Court held in the present case also that separate proceedings for the said Transferee Company were not required to be filed.

11. It has also been pointed out that the said Transferee Company, being a listed company, had obtained the approval from SEBI through the concerned stock exchanges and the same were placed on record. It was also submitted that as directed by SEBI, through the observation letters of the stock exchanges, the attention of the Hon'ble Court was drawn and explanation was given about one of the Directors of the said Company being

[Handwritten signature]

declared to be a wilful Defaulter. The said company had also complied with the direction to give intimation of the said fact to all its shareholders either by letters or by e mail and the proof for the same were placed on record.

12. It has been further pointed out that in spite of the fact that the rights and interests of the creditors of the Transferee Company were not affected in light of the Net Worth of the Transferee Company being very high, in compliance with the contractual terms with the consortium of the Secured Creditors of the Transferee Company, the said Transferee Company had undertaken to place on record of the Hon'ble Court the consent letters in writing from all the Secured Creditors of the said Transferee Company. It was further clarified by an additional order dated 6th April 2017 that such consent letters can be filed in the petitions filed by any of the Transferor Companies. The written consents obtained from secured creditors of the consortium have been obtained and placed on record vide Additional Affidavits dated 7th February 2017, 2nd March 2017. However, during the course of hearing of the petitions, when it was pointed out to the learned counsel for the petitioners that consent letters of all the secured creditors were not placed on record, by way of an additional affidavit dated 25th May, 2017, the petitioners have placed on record consent letters of all the secured creditors.

13. The substantive petitions viz. Co. Petition no. 472 to 475 of 2016 for the sanction of the scheme were filed by the petitioner Transferor companies which were admitted on 20th October 2016. The notice for the hearing of the petitions were duly advertised in the Ahmedabad edition of English daily 'Indian Express', and Gujarati dailies 'Sandesh' dated 4th and 5th November respectively, and the publication in the Government gazette was dispensed with as directed in the said orders. Pursuant to the said publication in the newspapers, no

[Handwritten signature]

objections were received by the petitioners or their advocate. The said fact has been confirmed vide the common additional affidavit dated 7th February 2017.

14. Notice of the petitions have been served upon the Office of the Official Liquidator for the three Transferor companies. Whereas it was not directed for the Demerged Company. The respective representations dated 9th December 2016 have been filed by the Official Liquidator after taking into account the respective reports of the Chartered Accountant appointed by him out of the panel. It has been observed by the Official Liquidator that the affairs of the respective Transferor Companies have been conducted within their respective object clauses and they have not been conducted in any manner prejudicial to the interest of their members or public interest, hence the petitioner transferor companies may be dissolved without following the process of winding up. However, the Official Liquidator has sought directions to be issued to preserve the books of accounts, papers and records and not to dispose of the same without prior permission of the Central Govt. as per the provisions of Section 396 (A) of the Companies Act, 1956. Accordingly, the Transferee Company is hereby directed to preserve the books of accounts, papers and records of all the Transferor Companies and not to dispose of the same without prior permission of the Central Govt. as required under section 239 of the Companies Act, 2013. It is hereby further directed that even after the scheme is sanctioned, the Transferor companies shall comply with all the applicable provisions of law and shall not be absolved from any of its statutory liability.

15. Notice of the petitions have been served upon the Central Govt. A common affidavit dated 14th December 2016 has been filed by Mr. Jatinder Kumar Jolly, the Regional Director, North-Western Region, Ministry of Corporate Affairs, whereby several

observations are made. A common Additional Affidavit dated 7th February 2017 has been filed by Mr. Hemal Kanuga, Authorised Signatory of the Petitioner companies whereby all the above issues have been dealt with. On perusal of these affidavits, the following issues are noted;

- (i) Vide the observation made vide para 2 (d) of the said affidavit, it has been observed by the Regional Director that the business of the Demerged Company and the Resulting Company relate to Power projects business which is regulated by regulatory authorities and that the deponent was not aware whether the companies have obtained relevant licences, approvals and other permissions from the concerned regulatory authorities or not. On the said issue, the petitioners have pointed out that only one of the petitioners, viz. Suzlon Structures Limited, the Demerged Company is the company which undertakes the business of generation and sale of electricity as one of its businesses. It has obtained the relevant licences and permissions for conducting the said business. However, the scheme envisages Demerger and transfer of only tower business, viz. manufacturing of fabricated structural products of Iron and Steel (Tubular towers for wind turbine generators) of the Demerged Company to the Resulting Company. The activity of generation and sale of electricity is not proposed to be transferred. Hence, the licences and permissions from the regulatory authorities for power generation are not required to be transferred. It has also been submitted that the activities of the other Transferor Companies are restricted to manufacturing of wind turbine generators or parts thereof and not power generation. In view of the said statement on affidavit behalf of the petitioners, this Tribunal is of the view that the observation made by the Regional Director in paragraph 2 (d) stands satisfied.

(ii) The observation of the Regional Director made vide para 2(e) pertains to complete list of the assets and liabilities, which are proposed to be demerged and transferred to the Transferee Company. The petitioners have submitted that the relevant details are already placed on record in form of the Divisional Balance Sheet of the Demerged Company clearly indicating the assets and liabilities of the Demerged Undertaking viz. Tower Business and residue Undertaking viz. Electricity Division/Corporate Division. It has been further submitted that the actual transfer of the said undertaking shall take place on the sanction of the Scheme and the detailed list of the assets and liabilities as on the date of the order sanctioning the scheme shall be submitted for the stamp duty adjudication along with the certified copy of the order. In view of the said statement on affidavit behalf of the petitioners, this Tribunal is of the view that the observation made by the Regional Director in paragraph 2 (e) stands satisfied.

(iii) The observation of the Regional Director made vide para 2(f) pertains to the shares of the Transferee Company being held by either Non-resident Indians, Foreign Corporate Bodies and Foreign Nationals. The details are factual and not disputed by the Petitioner Transferee Company. The observation further refers to the requisite compliance of FEMA and RBI guidelines by the Transferee Company. In this regard, the petitioners have submitted that the Transferee Company has so far complied with the applicable provisions of FEMA and RBI guidelines for issuance of shares to foreign shareholders. It is further submitted that the Transferee Company being a listed company, the shares held by the foreign shareholders are held through the secondary market in due compliance of the SEBI guidelines as may be applicable. It is also clarified that since no shares of the Transferee Company are proposed to be issued under the

present scheme of arrangement, it will not be necessary to have specific compliances as a result of the present scheme. It is also to be noted that no representation has been received by the Tribunal from Reserve Bank of India in response to the Notice served upon them for the said purpose. In view of the said statement on affidavit behalf of the petitioners, this Tribunal is of the view that the observation made by the Regional Director in paragraph 2 (f) stands satisfied.

- (iv) The observation of the Regional Director made vide para 2(g) pertains to compliance of SEBI circulars. The petitioners have submitted that the Transferee Company being a listed company, has already made the requisite compliances. Prior approval to the proposed Scheme from SEBI was obtained through the concerned stock exchanges and the same is already placed on record. Upon the sanction of the Scheme, it shall further make the requisite compliances. The Regional Director has also referred to the observation letter of BSE dated 9th August 2016 pertaining to name of one of the Directors appearing in the list of wilful defaulters. In this regard, the petitioners have submitted that in compliance with the directions given vide the said letter, all the relevant facts were placed on record of the Honourable High Court. The Transferee Company also brought it to the notice of all its shareholders, either through e-mail or by post. The copy of such intimation was also placed on record of the Hon'ble court and the same has been confirmed by the order dated 29th September 2016 passed in Company Application No. 435 of 2016. In view of the said statement on affidavit behalf of the petitioners, this Tribunal is of the view that the observation made by the Regional Director in paragraph 2 (g) stands satisfied.

- (v) Vide para 2(h) of the said affidavit, the Regional Director has drawn attention to the Contingent Liabilities in

case of all the Petitioner Companies existing as on 31st March 2016. The same being factual and reflected in the respective balance sheets is not disputed by the Petitioner Companies. In this regard, the petitioners have submitted that all the four Petitioner Transferor Companies and the Transferee Company are under Corporate Debt Restructuring with its lenders and have contingent liability in relation to compensation payable in lieu of bank sacrifice. Further, there are several demands from Income Tax authorities, which are disputed and there are pending proceedings before various Appellate Authorities. There are also some other disputed commercial liabilities for which proceedings are still pending. It has been submitted that in case of all the contingent liabilities, the Transferee Company shall take necessary action to meet with all such liabilities as and when crystallized and ensure that it does not adversely affect the liquidity of the Company, and its continuance and going concern concept. In view of the said statement on affidavit behalf of the petitioners, this Tribunal is of the view that the observation made by the Regional Director in paragraph 2 (h) stands satisfied.

- (vi) Vide para 2 (i) pertains to the letter dated 27th October 2016 sent by the Regional Director to the Income Tax dept. in order to obtain their objections if any. No response was received within the statutory period of 15 days as envisaged by the relevant circular of the Ministry of Corporate Affairs. This Tribunal has also not received any representation from the Income Tax authorities in response to the Notice served in the month of April 2017. Hence, it can be presumed that the Income Tax dept. has no objection to the proposed scheme of arrangement. However, the Petitioner Companies have agreed to comply with applicable provisions of Income Tax Act and Rules. In view of the said statement on affidavit behalf of the petitioners, this Tribunal is of the view that the

observation made by the Regional Director in paragraph 2 (i) stands satisfied.

(vii) It has been further observed by the Regional Director vide para 2 (j) that there are no complaints received by the Registrar of Companies and the Regional Director has vide observation 2 (k) confirmed that he has no other objection to the scheme and that the scheme is not prejudicial to the interest of the shareholders of the petitioner company and public at large.

16. Notice was ordered to be issued to the Competition Commission of India on 31.3.2017 by this Tribunal. Pursuant to the said order, the petitioners sent notice to the Competition Commission of India on 5.4.2017. As per the compliance report filed by the petitioners, the said notice was served on Competition Commission of India on 10.4.2017. The matter was listed for hearing on 3.5.2017. Thereafter, the matter was adjourned to 8.5.2017 and again to 25.5.2017.

17. On 30th May, 2017, this Tribunal received a letter dated 22nd May, 2017 from the Competition Commission of India stating as follows: -

"It is requested that before passing an appropriate order, the NCLT may seek undertaking from the companies involved in the scheme of amalgamation/compromise/arrangement that Competition Commission of India's approval is not required for the amalgamation."

18. Section 230(5) of the Companies Act, 2013 enjoins upon the statutory authorities, including the Competition Commission of India, to file their representations, if any, within 30 days from the date of receipt of the notice. In this case, the notice under Section 230(5) was received by the Competition Commission of India on 10th April, 2017. Therefore, the Competition Commission of India ought to have filed its representation before

this Tribunal on or before 10th May, 2017. However, considering the letter of the Competition Commission of India, the petitioner-companies, including the transferee company-cum-resulting company, Suzlon Energy Limited, shall file an undertaking stating that those companies do not require the approval of the Competition Commission of India for the amalgamation.

19. In compliance with the proviso to sub-section (7) of Section 230, the petitioner companies placed on record, vide affidavit dated 5th May 2017, certificate of Chartered Accountant dated 27th April 2016, confirming that the accounting treatment envisaged under the said scheme of Arrangement is in compliance with the applicable Accounting Standards notified by Central Govt. in section 133 of the Companies Act, 2013. The said certificate was also submitted to SEBI as approval of the said authority was required to be obtained since the Transferee Company is a listed public limited company.
20. Considering the entire facts and circumstances of the case and on perusal of the Scheme and the documents produced on record, it appears that all the requirements of section 230 and 232 of the Companies Act, 2013 are satisfied. The Scheme appears to be genuine and *bona fide* and in the interest of the shareholders and creditors as well as in the public interest and the same deserves to be sanctioned.
21. In the result, these petitions are allowed. The Scheme, which is at Annexure- C to TP Nos. 53, 54, 55 and 56 of 2017, is hereby sanctioned and it is declared that the same shall be binding on the petitioner companies, viz. SE Blades Limited, SE Electricals Limited, Suzlon Structures Limited and Suzlon Wind International Limited and Suzlon Energy Limited (Transferee resulting Company), their shareholders, creditors and all concerned under the scheme. It is also declared that three transferor Companies viz. SE Blades Limited, SE Electricals

Limited and Suzlon Wind International Limited shall stand dissolved without winding up.

22. In view of the direction in paragraph 18 of this order, the petitioner companies shall implement the scheme only upon filing such undertaking before this Tribunal as well as before the Competition Commission of India.
23. The fees of the Official Liquidator are quantified at Rs. 7,500/- each in respect of T.P. Nos. 53 of 2017, 54 of 2017 and 55 of 2017. The said fees to the Official Liquidator shall be paid by the Transferee Company.
24. Filing and issuance of drawn up orders is hereby dispensed with. All concerned authorities to act on a copy of this order along with the scheme duly authenticated by the Registrar of this Tribunal. The Registrar of this Tribunal shall issue the authenticated copy of this order along with Scheme immediately.
25. These petitions are disposed of accordingly.
