- The above results have been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on August 28, 2020. The statutory auditors of the Company have carried out a limited review of the above results for the quarter ended June 30, 2020.
- The management of the Company is in process of determining the fair value of the financial instruments issued and the resultant gain on extinguishment of the existing debt in terms of the framework Restructuring Plan as per the Indian Accounting Standard 109 Financial instruments (Ind AS 109). Since, the Lenders have potential exercisable substantive rights to control the Group before and after the implementation of restructuring plan, the resultant gain on extinguishment will be transferred to the equity as Capital contribution. Accordingly, the same does not have any impact on the standalone and consolidated loss including total comprehensive loss for the quarter ended June 30, 2020, as presented. However, unallocable liabilities as at June 30, 2020 disclosed under segment liabilities in note 5 of the financial results would change. The above matter is referred by the statutory auditors in their reports for the quarter ended June 30, 2020.

The above is an extract of the detailed format of financial results for the quarter ended June 30, 2020, filed with the stock exchanges under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
